

HOME ACTIVITY Letter # 7

Hello parents,

Attached is the next and **last** set of themed word cards: **the ocean, the beach, summer.**

Some of the white cards are inanimate objects, therefore it is limited to what verb can be put with them. There are also some **green** cards that are green only (and not white also) as they cannot perform many actions. **Yellow** cards may be used with the attached words. In this package you will find **new purple cards**. These words are the following adverbs: **lentement** (slowly), and **vite** (quickly). Please help your child place the adverb next to the verb if they would like to use it in their sentence.

Ex. Un bateau rouge flotte sur l'océan.

Je mets des sandales, des lunettes de soleil et un maillot de bain violet.

Le garçon nage dans la piscine avec sa soeur.

La fille nage lentement dans l'océan.

Trois baleines plongent vite dans l'océan.

Un dauphin blanc saute devant le bateau vert.

Enjoy making sentences at home. It is good to make short sentences and long sentences using colors, numbers and prepositions. Further practice may be to print the sentences and draw a picture to go with them. Reminder to keep all the Home Activity #1-7 in a handy box or basket as your child will continue to read and write with them in Grade One.

Thank you.
